CERTIFICATION CARD NUMBERING SYSTEM

The following numbering system shall be used on all CMAS C-cards:

“XXX/F00/ZZ/9999/888888”

1. THE MEANING OF THE NUMBERING SYSTEM IS AS FOLLOWS:

- 1.1. “XXX” shall be used to indicate the Olympic acronym of the country of the CMAS Federation where the C-card was issued;
- 1.2. “F” shall be used to indicate whether the card was issued by a CMAS Federation
- 1.3. “00” shall be used to indicate the unique code given to the CMAS Federation;
- 1.4. “ZZ” or “ZZZZ” shall be used to indicate the acronym of the certification;
- 1.5. “9999” shall be used to indicate the last two digits of the year in which the C-card was issued; and
- 1.6. “888888” shall be used to indicate the unique six-digit sequential C-card number for the specific level of certification issued in the specific year (It is mandatory that the sequential number starts stat 000001 on the 1 of January each and every year).

2. EXAMPLES OF THE PRESCRIBED NUMBERING SYSTEM:

- 2.1. “ESP/F00/AD1/2002/000025” which means that it is the 25th C-card issued by the Spanish Federation and that the card holder is an One Star Apnea Diver;
- 2.2. “ITA/F00/AI3/2024/000169” which means that it is the 169th C-card issued by the Italian Federation and that the card holder is a Three Star Apnea Instructor Trainer.
